B. The $50 fee required to file an appeal may be waived or refunded for good cause shown upon a determination by the Bureau of Insurance that payment of the filing fee will cause undue financial hardship for the covered person. Such determination shall be based upon information provided on the Appeal of Final Adverse Decision Form (Form 215C) ~~then~~ required by the Bureau of Insurance, and any supplemental information required by the Bureau of Insurance. The decision of the Bureau of Insurance as to whether good cause has been shown that payment of the filing fee will cause undue financial hardship shall be final.

C. A preliminary review of the appeal shall be conducted by the Bureau of Insurance or its designee to determine the following: (i) that the person on whose behalf the appeal has been filed is, or was, a covered person at the time the health care service in question was requested; (ii) that the appellant satisfies the definition of "appellant" set forth in 14 VAC 5-215-30; (iii) that the benefit or service that is the subject of the appeal reasonably appears to be a covered service for which the actual cost to the covered person would exceed $300 if the final adverse decision is not reversed; (iv) that all other appeal procedures available to the appellant have been exhausted, except in the case of an appeal accepted as one requiring expedited review; and (v) that the appeal is otherwise complete and filed in accordance with this section. The Bureau of Insurance shall not accept an appeal that does not meet the foregoing requirements.

D. The preliminary review shall be conducted within 10 working days of receipt of all information and documentation necessary to conduct the preliminary review.

E. The Bureau of Insurance shall notify the appellant and the utilization review entity in writing within five working days of the completion of the preliminary review whether the appeal has been accepted for review, and if not accepted, the reason or reasons ~~therefor~~.

F. The appellant, the treating health care provider, if not the appellant, and the utilization review entity shall provide to the Bureau of Insurance or its designee copies of all medical records relevant to the final adverse decision within 20 working days after the Bureau of Insurance has mailed, via certified mail, return receipt requested, written notice of its acceptance of the appeal. Failure to comply with ~~such~~ the request within the required time may result in the dismissal of the appeal or reversal of the final adverse decision, at the discretion of the commissioner. The

confidentiality of these medical records shall be maintained in accordance with the confidentiality and disclosure laws of the Commonwealth.

G. The Bureau of Insurance, or its designee, may request additional medical records from the appellant, the treating health care provider, if not the appellant, or the utilization review entity. Such medical records shall be provided to the entity making the request, whether the Bureau of Insurance or its designee, within 20 working days of the request. The confidentiality of these medical records shall be maintained in accordance with the confidentiality and disclosure laws of the Commonwealth. Failure to comply with the request within the required time may result in dismissal of the appeal or reversal of the final adverse decision at the discretion of the commissioner.

H. The commissioner, upon good cause shown, may provide an extension of time for the covered person, the treating health care provider, the utilization review entity and the Bureau of Insurance to meet the time requirements set forth in this section.

I. If an appeal that is reviewed as an expedited appeal by a utilization review entity results in a final adverse decision, the utilization review entity shall take the following actions immediately: (i) notify the person who requested the expedited review of the final adverse decision; and (ii) notify the appellant, by telephone, ~~telefacsimile~~ fax, or electronic mail, that the appellant is eligible for an expedited appeal to the Bureau of Insurance without the necessity of providing the justification required pursuant to subdivision 1 of 14 VAC 5-215-80. The notification shall be followed within 24 hours by written notice to the appellant and the treating health care provider, if not the appellant, clearly informing them of the right to appeal this decision to the Bureau of Insurance and providing the appropriate forms (Forms 215A, 215B, 215C, and 215D) by which

~~such~~ the appeal to the Bureau of Insurance may be filed. A copy of this written notice shall be retained by the utilization review entity and included with any materials forwarded to the Bureau of Insurance in the event the utilization review entity's decision is appealed to the Bureau of Insurance.

J. If a request for an expedited review is denied by a utilization review entity, the entity shall take the following actions immediately: (i) notify the appellant of the decision by telephone, ~~telefacsimile~~ fax, or electronic mail; and (ii) inform the appellant that the appellant has the right to file a request for an expedited appeal with the Bureau of Insurance pursuant to subdivision 1 of 14 VAC 5-215-80. This notification shall be followed within 24 hours by a written notice to the appellant and the treating health care provider, if not the appellant, clearly informing them of the right to appeal this decision to the Bureau of Insurance and providing the appropriate forms (Forms 215A, 215B, 215C, and 215D) by which ~~such~~ the appeal to the Bureau of Insurance may be filed. A copy of the written notice shall be retained by the utilization review entity and included with any materials forwarded to the Bureau of Insurance in the event the utilization review entity's decision is appealed to the Bureau of Insurance.

K. If the Bureau of Insurance, or its designee, determines that a request for an expedited review which has been reviewed in accordance with subsection J of this section does not meet its criteria for an expedited review, the appellant shall be notified in writing by the Bureau of Insurance, or its designee, within two working days from the time ~~such~~ the determination is made. The notice shall instruct the appellant wishing to pursue the appeal to contact the issuer of coverage and request a review through the standard review process of the issues for which an expedited review was sought.

14 VAC 5-215-60. Impartial health entity.

The Bureau of Insurance shall contract with one or more impartial health entities to perform the review of final adverse decisions made by utilization review entities. The impartial health entity shall examine the final adverse decision and determine whether the decision is objective, clinically valid, compatible with established principles of health care, and appropriate under the terms of the contractual obligations to the covered person. The impartial health entity shall issue its written recommendation affirming, modifying, or reversing the final adverse decision within 30 working days of the date that the impartial health entity has received from all parties all documentation and information necessary for it to complete its review in the case of a standard review as set forth in 14 VAC 5-215-70. In the case of an expedited review, the impartial health entity shall issue its written recommendation within five working days of ~~the acceptance of the appeal by the Bureau of Insurance~~ its receipt of sufficient information to review the appeal.

14 VAC 5-215-80. Expedited review.

Appeals presented to the Bureau of Insurance as requiring emergency health care shall be evaluated as follows:

1. Immediately upon receipt of an appeal indicating that emergency health care is required and otherwise meeting the requirements for review as provided in 14 VAC 5-215-50 C, the Bureau of Insurance shall consult with the impartial health entity to which the appeal normally would be assigned, and such entity shall determine if the appeal involves emergency health care.

2. If, after consultation with the impartial health entity, a determination is made by the Bureau of Insurance that the appeal does not qualify for an expedited review, the person making the request for the expedited review shall be notified within two working days of receipt by the Bureau of

Insurance of sufficient information to support the request for expedited review. The declination by the Bureau of Insurance to provide an expedited review shall not preclude the appellant from resuming the normal appeal process within the utilization review entity or from filing a request for a standard review by the Bureau of Insurance, provided the requirements set forth in 14 VAC 5-215-50 A have been met.

3. Immediately upon acceptance of an appeal for expedited review, the Bureau of Insurance shall notify the utilization review entity and the appellant by the most expeditious means available, including telephone, ~~telefacsimile~~ fax, or electronic mail, of their right to submit information and supporting documentation. Such information shall be submitted to the Bureau of Insurance or the impartial health entity within two working days of the acceptance of the appeal.

4. Upon the acceptance of the appeal for expedited review, the Bureau of Insurance shall assign the appeal to an impartial health entity for clinical review as provided in 14 VAC 5-215-60. The impartial health entity shall review the appeal and make a decision as required under 14 VAC 5-215-60 as soon as possible consistent with the medical exigencies of the case, but in no event more than five working days after its receipt of sufficient information to review the appeal.

5. a. Immediately upon receipt of the assigned impartial health entity's recommendation, the commissioner shall review the recommendation to ensure that it is not arbitrary or capricious.

b. The commissioner shall notify the appellant and the utilization review entity in writing of the decision to uphold or reverse the final adverse decision by issuing a written ruling affirming, modifying or reversing the final adverse decision. The written ruling shall bind the covered person and the issuer of the covered person's policy or contract for health benefits to the same extent to which each would have been bound by a judgment entered in an action at law or in

extent to which each would have been bound by a judgment entered in an action at law or in equity with respect to the issues which the impartial health entity may examine when reviewing a final adverse decision. If the decision is regarding treatment for a covered person whose condition would be terminal without the treatment, the commissioner or his designee shall issue his written ruling no later than one business day following the receipt of the recommendation.

c. The commissioner shall include in the notice sent pursuant to subdivision 5 b of this section:

(1) The principal reason or reasons for the decision, including, as an attachment to the notice or in any other manner that the commissioner considers appropriate, the information provided by the assigned impartial health entity supporting its recommendations; and

(2) If applicable, the principal reason or reasons why the commissioner did not follow the assigned impartial health entity's recommendation.

d. Upon notice of a decision pursuant to subdivision 5 a of this section reversing the final adverse decision, the utilization review entity immediately shall approve and provide, or provide reimbursement for, any and all medical services that were the subject of the final adverse decision.

INSTRUCTIONS FOR COMPLETING THE APPEAL OF FINAL ADVERSE DECISION FORM

Please Read Carefully Before Completing the Form

Before completing the attached form, please read the following instructions carefully. We also recommend that you review the form itself as well as the "Important Terms and Definitions" list attached.

The law requires that in order to be "appealable" the actual cost to the covered person of the services or procedures in question exceed $300 if the final adverse decision is not reversed. Please verify the cost of the service(s) before requesting an appeal of a final adverse decision.

1. **Name and Address**
   Please type (or print) the covered person's full name. Include the address, daytime telephone number, date of birth, sex and policy number, certificate number, or other identifying number of the covered person.

2. **Appellant Information**
   This section is to be completed by the appellant who is making the appeal on behalf of the covered person. This section does not need to be completed if the covered person is requesting the external review on his own behalf.

3. **Name of the Managed Care Health Insurance Plan**
   Please provide the name, address and telephone number of the Managed Care Health Insurance Plan (MCHIP). The MCHIP name should be the same as the insurance company or health maintenance organization providing the covered person's coverage. If the covered person is covered by insurance through an employer, please provide the name, address and phone number of the employer, if available. ~~If the plan is self-funded, please indicate that information as well (optional).~~

4. **Describe the Covered Person's Situation**
   Please clearly and accurately describe the nature of the circumstances surrounding the covered person's request for an appeal of a final adverse decision. ~~Attach **copies** of any pertinent and essential documentation that supports your request, including the letter from the covered person's MCHIP denying coverage for the service or services you want reviewed. This could include, but is not limited to, correspondence from treating physicians and medical records.~~

5. **Expedited Review**
   In certain situations, an expedited review of an appeal of a final adverse decision may be requested. Please review the definition of "emergency medical condition" provided with this form. If the situation involves an "emergency medical condition," please indicate this by checking the "yes" box and attach supporting documentation.

6. **Treatment for Terminal Conditions**
Please indicate whether the requested treatment has already been provided and whether, in the opinion of the covered person's treating health care provider, the covered person's condition would be terminal without this treatment.

~~6.~~ 7. **Filing Fee Waiver**
Please note that the $50 filing fee may be waived. If you wish to request that the filing fee be waived, please describe the reason or reasons for the request and provide supporting documentation.

8. **Total Cost of Denied Services**
Please provide an estimate of the total cost to you if services remain denied. If a prescription drug has been denied, please estimate the cost for the length of the prescription. This cost estimate is for our records and will not have any bearing on any party's payment responsibility following the final decision.

~~7.~~ 9. **Authorization/Authorization to Release Medical Information**

Please carefully read the "Authorization" section on the "Appeal of Final Adverse Decision" form and the separate "Authorization to Release Medical Information" form included with this package. Information that you provide or authorize to be released may be shared with an impartial health entity. The signature of the covered person or other authorized signature is required on both of these forms in order for the appeal of the final adverse decision to occur.

APPEAL OF FINAL ADVERSE DECISION FORM

If you meet the definition of an **appellant**[1], and have had a request for approval of health care service(s) denied by a **Managed Care Health Insurance Plan (MCHIP)**, you may have the right to an external review of the **MCHIP's** decision. An **impartial health entity** selected by the Bureau of Insurance will review the appropriateness of the **MCHIP's** decision, and make a recommendation to the Commissioner of Insurance as to whether the health care service(s) should be covered. In order for such a review to occur, the **appellant** must complete and sign this form. Additionally, the appeal in question must meet the following criteria:

1. The **cost of service** in question must exceed $300;
2. The appeal must be filed within 30 days of the **final adverse decision** by the **MCHIP**;
3. The **MCHIP's** internal appeal process must have been exhausted (except for **expedited reviews**); and
4. A $50 filing fee must be submitted with this form by check or money order made payable to the Treasurer of Virginia. This fee may be waived or refunded if it can be demonstrated that paying the fee constitutes a financial hardship to the **covered person** (see item ~~6~~ 7 on the following page); and is refundable if the appeal is not accepted for review.

Additional instructions and definitions of key terms for completing this form are attached. If you have questions while completing this form or if you have questions that are not addressed in the instruction form, you may contact The Office of the Managed Care Ombudsman toll free at (877) 310-6560, or locally at (804) 371-9032, for assistance.

I request an external review of the **MCHIP's final adverse decision** by an **impartial health entity** as chosen by the Bureau of Insurance. I certify that the **covered person**'s **MCHIP's** internal appeals have been exhausted, or that the requirements for an **expedited review** have been met. ~~I enclose copies of all correspondence or other documents which may include patient medical records, correspondence from medical providers and/or the **MCHIP** relating to this matter that may help the Bureau of Insurance and the **impartial health entity** in its evaluation of my request for review.~~
